Summary

- Proud contributor to many popular **open-source libraries** and creator of **npm package** with more than **6,200 weekly active users**.
- A passionate full-stack web developer with deep expertise in the **JavaScript** ecosystem.

Experience

Software Developer   Sears   *Pune,India*   Mar-2023 - Present

- Built a **React table library** from the ground up, now utilized by multiple teams company-wide, featuring priority sorting, multi-column filtering, and various other advanced functionalities.
- Led the development of 4+ projects from scratch, including an **offer management tool** currently used by **2 global vendors**, benefiting numerous customers worldwide.
- Received an award for implementing a fix that led to over a **30% reduction in WebSocket API requests**.
- Introduced and implemented best development practices resulting in significant reduction in deployment time and fewer production bugs.

Web Developer   miniOrange   *Pune,India*   July-2022 - Nov-2022

- Optimized the SSO plugin for WordPress, reducing its size from **1.5 MB to 270 KB**, which contributed to **70% increase in downloads**.
- Improved React application performance by optimizing and refactoring code, resulting in quicker load times and a better user experience.
- Assisted senior designers in creating wireframes, prototypes, designs using **Figma**.

Skills

- Languages : JavaScript | TypeScript
- Front-end : NextJS | ReactJS | ReduxJS | HTML5 | SASS | CSS3 | Styled Components | jQuery | WordPress | Rollup | Docusaurus
- Back-end : NodeJS | ExpressJS | MySQL | MongoDB | Mongoose | RESTful APIs | WebSockets
- Tools : Figma | Postman | Chrome Dev Tools | Github

Open-Source Contributions

Package	PR	Description
Mantine	#6466	Enhanced the tooltip component of Mantine with improved accessibility.
Prime-react	#6860	Fixed re-rendering issues in the Sidebar component, optimizing performance and ensuring better state management in the PrimeReact library.
Rsuite	#3875	Introduced a "paused" option for the speed prop in the Loader component, allowing for finer control over the animation state.
